ARTS COUNCIL
50th
anniversary
1974 2024

As we honor **50 years of color**,
we also celebrate **19 years of
Public Works**. Originating during
the Public Work Commission's
Centennial Anniversary, the Arts
Council of Fayetteville
Cumberland County joined
forces with PWC in 2005,
evolving our Public Exposure
exhibit into Public Works.
Together, we proudly present art
created by our community for our
community. If you're an artist
