

Shanisia Person

(they/them)

Atlanta, GA

My work is all centered in sexuality, including gender and its expression and the limitlessness and ever-growing concept of what that means to art, therefore beauty and inevitably humanity.

All art is, is an expression of the artists consciousness and therein what they find beautiful in the broadest meaning of the word. Being a nonbinary and queer person for me gives me the most comprehensive conception of beauty beyond what gender and any binary can contain.

Featured Work (each priced at \$200):

- *Existence is Resistance I* (2022)
mixed-media collage on paper; 14x20 inches
- *Conejitx: Existence is Resistance* (2022)
mixed-media collage on paper; 10x20 inches
